

# Stranger In My Life

## Mr. Big

I was a soldier with no regrets  
Walking on a fence  
Falling back on my feet again  
There was a vision decisions made  
To mold me out of clay  
Taking away my wings The man I'm supposed to be  
Now is the enemy I wonder who I am  
Will I be someone to remember  
After the glory ends  
Hiding in my disguise  
I'm a stranger, a stranger in my life  
I'm perfect but broken  
The mirror tells it all  
Looking into my window soul  
Off in the distance, a different me  
No one else can see  
Someone I used to Know I made all the right mistakes  
Now I'm a ghost in the big parade I wonder where I've been  
Where is the dreamer I remember  
Losing a long lost friend  
Hiding in my disguise  
I'm a stranger in my life  
I woke up, all choked up out of my head  
My heart is wide open re-writing how this story ends  
I wonder who I am  
Will I be someone to remember  
After the glory ends  
Hiding in my disguise  
I'm a stranger, a stranger in my life  
Stranger in my life
