

Stutter (feat. Anthony Hamilton)

David Banner & 9th Wonder

Hello baby, how are you doing?
I was just wondering if could stop you suing us,
... when I see...
Oh, reality...
I wish that I could come over and tap you on the shoulder,
And take you to the cool side of... yeah!
Baby doll, with the... but the worst is gone from my lips
Look at your hips, look at your...
You're so vive, from behind, girl,
I just get to speak.
But you're so mine, that I find intriguing...
You're so beautiful inside that I don't think...
And that's a lie!
But I will try not to melt like butter,
I was meant to be your lover but for now I'm just a stutter.
[Chorus:]
I think that... baby when you walk by,
Girl, when I see you, I could really help it...
I'm just a...
I'm just a stutter!
I got a few things to get off my mind!
I just wanna...
Get these words out,
But instead I go a stutter, a stutter,
I got a few things to get off my mind!
I've never seen one like you in my life,
Baby if I could find the words I would ask you to be mine.
Baby with the.,
Maybe we could have some kids,
Maybe we could grow old together...
Jeez, that sounds like resurrection,
Because of my affection, I...
But if you kiss me on my chick I won't fake what a...
... I prefer words that will make me sound just like a...
So you could... say hey big daddy!
Then we could get married and drop of in my...
[Chorus:]
I think that... baby when you walk by,
Girl, when I see you, I could really help it...
I'm just a...
I'm just a stutter!
I got a few things to get off my mind!

I just wanna...
Get these words out,
But instead I go a stutter, a stutter,
I got a few things to get off my mind!
I can't get these words out, baby when you walk by,
Girl when I see you, I can't really help it, I'm...
Stutter, I got a few things to get off my mind!
