Would You Like That?
Do You Like That?
I Know You Like That![Aundrea:]
Staring At Me All Night While I'm Out On The Floor
It Was Clear What You Wanted
So You Pushed Up On It[Aubrey:]
I Was Griding With The DJ With My Hands On The Floor
I Guess You Couldn't Take It
You Got Tired Of Waiting
[Dawn:]
So You Walked Over To Me
Breathing In My Ear Talking 'Bout What Could Be
Saying You Can Do This And That
And You Start Working Me Like A Champ
And I'm Like[Chorus:]
Ohhh, You're Touching My Body
Ohhhh, You Just Want Me To Get Started
Boy I Can't Take It It's So Crazy
How You Making Me FeelOhhh, You'r Touching My Body
Ohhhh, You Just Want Me To Get Started
Boy I Can't Take It It's So Crazy
How You Making Me Feel
