

# The Sound of a Million Dreams

David Nail

Seeger was singing words I could believe in  
And "Main Street" was my street that night  
So I called up Samantha and asked her the  
Chance of us

Running out 'neath the moonlight  
Well, she's not with me now, she can always  
Be found

When I rewind the radio dial  
And like it was then I feel her on my skin  
And I'm back there for awhile

Chorus:

So I labor for hours 'cause I know the power  
Of a song when when a song hits you right  
Pouring my soul into stories of life  
Hoping someone'll hear one tonight  
Maybe my voice will cut through the noise  
And stir up an old memory  
And out of these piano keys

Comes the sound, the sound of a million dreams  
My 18th summer I was a cocky up-and-comer,  
Cranking up "Born to Run"

Turned left out the drive with the pistons  
Open wide

And I came back a Prodigal Son  
My spirit was broken, she threw the door open  
I love you not, I told you so

When I hear "Mama Tried" I still break down  
And cry

And pull to the side of the road  
Repeat Chorus Twice
