Good Thing

Zedd & Kehlani

I booked myself tables at all the best restaurants then eat alone
I buy myself fast cars just so I can drive them real fucking slow
I like my own company, company I don't need it
I'm not always cold, I'm just good on my own, so good on my ownI've always been told, one day I'll find
Somebody who changes my mind
If they come along, I won't think twice'Cause I already got a good thing with me
Yeah, I already got everything I need
The best things in life are already mine
Don't tell me that you got a good thing for me
'Cause I already got a good thing with me
Yeah, I've already done everything I've dreamed
I'm good by myself, don't need no one else
Don't tell me that you got a good thing for me
'Cause I've already got a good thing
I make myself up just to dance in the mirror when I'm at home
I pose and take pictures then send them to people that I don't know
I like getting compliments, compliments how I'm feeling, ooh
I'm not always selfish, just bad at romance, it's not in my bonesI've always been told, one day I'll find
Somebody who changes my mind
If they come along, I won't think twice'Cause I already got a good thing with me
Yeah, I already got everything I need
The best things in life are already mine
Don't tell me that you got a good thing for me
'Cause I already got a good thing with me
Yeah, I've already done everything I've dreamed
I'm good by myself, don't need no one else
Don't tell me that you got a good thing for me
'Cause I've already got a good thing
I've always been told, one day I'll find
Somebody who changes my mind
If they come along, I won't think twice'Cause I already got a good thing with me
Yeah, I already got everything I need
The best things in life are already mine
Don't tell me that you got a good thing for me
'Cause I already got a good thing with me
Yeah, I've already done everything I've dreamed
I'm good by myself, don't need no one else
Don't tell me that you got a good thing for me
'Cause I've already got a good thing
