

Tomorrow (feat. Freddie Gibbs)

LNDN DRGS & Jay Worthy

(Jay Worthy)

Get money, stack it up
Come on lil' momma won't you back it up
Pussy ass nigga why you actin' tough
You don't really want it with a gang of bloods
? off the juice yah I do say
If the club
? like a toupe
Get money get paper like a loose lay
Black top with the stars its a new ?
Doing up in the club like its a Tuesday
