

# Mayhem

## Imelda May

He said he didn't even hear trains let alone the few words  
The ladies maybe sayin' about him  
She freaks and tells her closest friend that she'll never love again  
But she'll never, no not ever  
Live without him Wouldn't believe it, if you seen it  
Oh, Mayhem doo doo doop  
Yeah, Mayhem doo doo doop  
Yeah, Mayhem doo doo doop  
A lotta Mayhem, woh oh oh yeah  
She said he didn't mean a thing so she threw her diamond ring  
Out the window of a black cab in Camden  
He couldn't take it, what she did,  
So he threw a hissy fit and he took it out on anyone at random Wouldn't believe it, if you seen it  
Oh, Mayhem doo doo doop  
Yeah, Mayhem doo doo doop  
Yeah, Mayhem doo doo doop  
A lotta Mayhem, woh oh oh yeah Dinning sound, lights spinning round, some mothers' son  
Gotta fight or got to run run run run  
Run run run run run Solo Ten pints and then he starts a fight and he lands himself a night  
In a cell wearing grey pants and bruises  
Twelve mates bangin' on the door, oh the back up vans galore  
Never saw such a street full of losers  
Wouldn't believe it, if you seen it  
Oh, Mayhem doo doo doop  
Yeah, Mayhem doo doo doop  
Yeah, Mayhem doo doo doop  
A lotta Mayhem, woh oh oh yeah
