

Where Are You Now? (feat. Wiley)

Lady Leshurr

Where?
Can't see you anywhere
Rude girl, stay over there
Or I'll put you back like hair
Yeah
You are not quite there
Oh well, it's unfair
You'll get air
When I'm in the building, you come out
When I'm onstage, it gets shut down
When I walk in you best look down
Fire alie, gets bun down
Everyone knows I'm the talk of the town
Everyone know when I'm walking in town
Oh my gosh, is that Lesha?
Make them fall to the ground, wow
Where are you now? Cause I can't see ya
Where are you now? I wouldn't wanna be ya
Where are you now? Cause I can't see ya
Where are you now? I wouldn't wanna be ya
Where are you now? Where are you now?
Where are you now? Where are you now?
Where are you now? Where are you now?
I said where are you now? Where are you now? Where are ya, kid?
I'm like wait, where are you, kid?
You fell off, now your arm is ripped
Attention, army ting
Look, you was on top
Then you just flopped
You thought you was gonna blow up
You was gassed, got popped
Look, you're so late, with it
I said you're so late widit
I'm on top and you're hating it
And you look like 86 years old
I get paid to spit
Heard your stuff, ain't rating it
Wait
Your boyfriend was staring me down
Now he's on my phone like "where are you now?"
Where are you now? Cause I can't see ya
Where are you now? I wouldn't wanna be ya
Where are you now? Cause I can't see ya

Where are you now? I wouldn't wanna be ya Where are you now? Where are you now?
Where are you now? Where are you now?
Where are you now? Where are you now?
I said where are you now? Where are you now? Where are you now? Cause
Any time I speak, that's news
See man on the 6 o'clock news
I've got choices, so I can choose
I've got a shop and we sell sports shoes
And I'm in control when man cruise
My DJ on the 1s and 2s
Aim for the 6, but still got views
Any time I speak, that's news
Any time I speak, that's doodoodoodadada
Any time I speak, that's tiger, tiger
Done with the shoulda, coulda, doodoodoodadada
Wiley, I'm getting them hyper hyper
Doing this ting since MC Creepin'
Doing this ting ever since Pied Piper
And I know mandem in jail doing 5, doing 10s
Doing 15s and I know lifers Where are you now? Cause I can't see ya
Where are you now? I wouldn't wanna be ya
Where are you now? Cause I can't see ya
Where are you now? I wouldn't wanna be ya Where are you now? Where are you now?
Where are you now? Where are you now?
Where are you now? Where are you now?
I said where are you now? Where are you now? I mean
Where are ya, man?
You was on top of your game, son
Now I can't even see ya
You fell off, you have
Where are you now?
