

# Every little thing (Poignant Mix)

## Caroline

Every little thing  
Come to me unconventional beauty  
Come to me unconditional friend  
Come into the spotlight of mine  
Come into the spotlight  
So you can share with me  
Your creativity  
Every little thing you'll do  
Every little thing you'll say  
Every little thing you'll do  
Every little thing  
Come to me  
Awaken all of my senses  
Come to me  
Turn me inside-out  
Come into the spotlight of mine  
Come into the spotlight  
So you can share with me  
Your creativity  
Every little thing you'll do  
Every little thing you'll say  
Every little thing you'll do  
Every little thing  
Every little thing you'll do  
Every little thing you'll say  
Every little thing you'll do  
Every little thing
