

# Special

## Gabbie Hanna

I'm not special  
Who the hell am I to think I'm special  
I'm not so well  
Thanks for asking  
But you probably figured what else is new I try my best still  
But I find I wind up in some mess  
You'll keep my head filled  
With the notion that I don't deserve this life that I've built I'm not special, special  
Don't know why I thought I could be someone  
I'm no one  
To anyone who knows me  
I'm a burden, I'm certain  
The only thing I'm good for is hurtin' the ones I love  
I wanna be special  
But I don't know if it's worth all of this stress  
You don't know my struggle  
'Cause I don't tell it  
If I did I really don't think you'd be bothered to hear it, anyway If I sang a song  
Would you listen?  
Or would you tell me that I'm terrible  
If I played along  
To ease the friction  
Would you still tell me that I'm terrible Oh, I'm not special, special  
Don't know why I thought I could be someone  
I'm no one  
To anyone who knows me  
I'm a burden, I'm certain  
The only thing I'm good for is hurtin' the ones I love  
But the ones I love  
They really love me  
The ones I love  
They truly know me  
You drag my name  
It's kinda funny  
'Cause my name  
Makes you lots of money I guess I'm special, special  
Who the hell are you to say I'm not special?  
Oh well  
Got everybody talkin' in this hell hole  
I'm the devil  
Dante wrote me into his inferno  
Here we go

Again Is this what you came for?  
You paid for?  
To watch somebody burn and crumble  
And stumble  
Then fumble all my words and let you twist them  
And listen  
To all the ugly things you tell me I am  
I'm tryin'  
So hard to understand how I'm the Master manipulator  
Who couldn't fool anyone  
The monster reciprocator  
Shot no bullets from my gun  
The drama queen  
Who never seems  
To get applause from anyone  
I won't be who you say I am If I sang a song  
Would you listen?  
Or would you tell me that I'm terrible  
I won't play along  
This game is twisted  
And I think that would make me terrible  
That would make me
