All Your Love I Miss Loving

Stevie Ray Vaughan & Double Trouble

Wo the love I miss lovin'

All the kiss I miss kissin'

Wo the love I miss lovin'

All the kiss I miss kissin'

Before I met you baby

I didn't know what I was missin'Wo the love pretty baby

I have in store for you

Wo the love pretty baby

I have in store for you

The way I love you baby

I know you'll love me too

Oh wo wo baby

Yes I love you baby

Oh wo yeah

You know I love you little darlin'

Yes I love you little lamb

So glad you're mineWo wo wo wo wo wo wo yeah

Yeah yeah you're mine

Oh wo yeah

You know I love you little baby

Yes I love you little baby

So glad you're mineWo the love I miss lovin'

All the kiss I miss kissin'

Wo the love I miss lovin'

All the kiss I miss kissin'

The way I love you baby

I didn't know what I was missin'

Wo the love pretty baby

I have in store for you

Wo the love pretty baby

I have in store for you

The way I love you darlin'

I know you'll love me tooWo wo wo baby

Yes I love you baby

Oh wo yeah

You know I love you little lamb

Yes I love you little baby

So glad you're mine
