

# I Don't Wanna Be In Love (Dance Floor Anthem)

## Good Charlotte

She's going out to forget they were together  
All that time he was taking her for granted  
She wants to see if there's more  
Than he gave she's looking for  
He calls her up  
He's trippin' on the phone now  
He doesn't want her out there  
And alone now  
He knows she's movin' it  
Knows she's using it  
Now he's losing it, she don't care  
Everybody put up your hands  
Say I don't wanna be in love  
I don't wanna be in love  
Feel the beat now  
If you've got nothing left  
Say I don't wanna be in love  
I don't wanna be in love  
Back it up now You've got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love  
Feelin' good now  
Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love He was always giving her attention  
Looking hard to find the things she mentioned  
He was dedicated but most suckers hate it  
That girl was fine but she didn't appreciate him  
She calls him up  
She's trippin' on the phone now  
He had to get up  
And he ain't comin' home now  
He's tryin' to forget her  
That's how we come with him  
When he first met her  
When they first got together Everybody put up your hands  
Say I don't wanna be in love  
I don't wanna be in love  
Feel the beat now  
If you got nothing left

Say I don't wanna be in love  
I don't wanna be in love Back it up now  
You got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love  
Feelin' good now  
Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love  
To the beat, to the beat, to the beat  
You got nothing to lose  
Don't be afraid to get down  
We break up, it's something that we do now Everyone has got to do it sometime  
It's okay, let it go  
Get out there and find someone  
It's too late to be trippin' on the phone here  
Get off the wire, know everything is good here  
Stop what you're doin', you don't wanna ruin  
The chance that you got to find a new one Everybody put up your hands  
Say I don't wanna be in love  
I don't wanna be in love  
Feel the beat now  
If you got nothing left  
Say I don't wanna be in love  
I don't wanna be in love Back it up now  
You got a reason to live  
Say I don't wanna be in love  
I don't wanna be in love  
Feelin' good now  
Don't be afraid to get down  
Say I don't wanna be in love  
I don't wanna be in love  
No, no  
Now you know what to do  
So come on, get up, girl
