

# The Game

## Disturbed

Tell me exactly what am I supposed to do  
Now that I have allowed you to beat me  
Do you think that we could play another game?  
Maybe I could win this time I kinda like the misery you put me through  
Darlin', you can trust me completely  
If you even try to look the other way  
I think that I could kill this time It doesn't really seem I'm getting through to you  
Though I see you weeping so sweetly  
I think that you might have to take another taste  
A little bit of hell this time Lie to me  
You lied to me  
Is she not right?  
Is she insane?  
Will she now  
Run for her life in the battle that ends this day? Is she not right?  
Is she insane?  
Will she now  
Run for her life now that she lied to me? You always wanted people to remember you  
To leave your little mark on society  
Don't you know your wish is coming true today?  
Another victim dies tonight And lie to me  
You lied to me Is she not right?  
Is she insane?  
Will she now  
Run for her life in the battle that ends this day?  
Is she not right?  
Is she insane?  
Will she now  
Run for her life now that she lied to me? Is she really telling lies again?  
Doesn't she realize she's in danger? Is she not right?  
Is she insane?  
Will she now  
Run for her life in the battle that ends this day? Is she not right?  
Is she insane?  
Will she now  
Run for her life now that she lied to me? The little bitch, she went and she told a lie  
And now she will never tell another lie  
The little bitch, she went and she told a lie  
Never fucking lie to me!
