## The Game

## **Disturbed**

Tell me exactly what am I supposed to do

Now that I have allowed you to beat me

Do you think that we could play another game?

Maybe I could win this timeI kinda like the misery you put me through

Darlin', you can trust me completely

If you even try to look the other way

I think that I could kill this timeIt doesn't really seem I'm getting through to you

Though I see you weeping so sweetly

I think that you might have to take another taste

A little bit of hell this timeLie to me

You lied to me

Is she not right?

Is she insane?

Will she now

Run for her life in the battle that ends this day? Is she not right?

Is she insane?

Will she now

Run for her life now that she lied to me?You always wanted people to remember you

To leave your little mark on society

Don't you know your wish is coming true today?

Another victim dies tonightAnd lie to me

You lied to meIs she not right?

Is she insane?

Will she now

Run for her life in the battle that ends this day?

Is she not right?

Is she insane?

Will she now

Run for her life now that she lied to me? Is she really telling lies again?

Doesn't she realize she's in danger? Is she not right?

Is she insane?

Will she now

Run for her life in the battle that ends this day? Is she not right?

Is she insane?

Will she now

Run for her life now that she lied to me? The little bitch, she went and she told a lie

And now she will never tell another lie

The little bitch, she went and she told a lie

Never fucking lie to me!
