I Won't Be Crying

Infernal

You always check yourself
In every mirror you see
Day and night
And it is such a shame
Your vanity is to blame
Oh why don't you knock it offIt is the pointlessness
That's got me loving less
I cannot handle that you're such a wannabe
You're caught up in yourself
And me, you don't even seeI won't be crying when I'm lonely
Sorry making sure I'll have a
Good time
Ain't nothing wrong when i'm alone now
'Cause I'm alone and I'm proud
I won't be crying when I'm lonely
I'm sure you don't believe
That anybody can tell
You're a fool
I'll bet that you believe
They only think that you're cool
And a handsome devil tooBut baby trust me now
You'd better turn around
'Cause otherwise you're gonna fall and hit the ground
'Cause all this spirit boy
Won't last eternallyI won't be crying when i'm lonely
Sorry making sure I'll have a
Good time
Ain't nothing wrong when I'm alone now
'Cause I'm alone and I'm proud
I won't be crying when I'm lonely
I won't be crying when i'm lonely
Sorry making sure I'll have a
Good time
Ain't nothing wrong when I'm alone now
'Cause I'm alone and I'm proud
I won't be crying when I'm lonely
Sorry making sure I'll have a
Good time
Ain't nothing wrong when I'm alone now
'Cause I'm alone and I'm proud
I won't be crying when I'm lonely
