

# Play Destroy (feat. Grimes)

## Poppy

It's Grimes  
I'm Poppy  
Let's go Destroy This is how we play  
This is how we play destroy (Play destroy)  
Gonna cut your face  
And break your favorite toy  
Drop a match in the gas tank  
Blow up your neighbour's pool  
Oh, boy  
I love to play destroy  
Mhm, mhm  
Oh, boy, boy  
Boy, boy, boy  
Mhm, destroy  
Mhm This is how we play  
This is how we play destroy (Play destroy)  
Manipulate the girls  
Indoctrinate the boys Burn down the local Wal-Mart  
Monsanto, Raytheon Oh, boy  
I love to play destroy  
I love to play destroy  
Play destroy  
Drop a match in the gas tank  
Blow up your neighbor's pool  
Oh, boy  
I love to play destroy  
Poppy, I'm dying  
It's a Hollywood moment  
Destroy, destroy, destroy  
Destroy, destroy, destroy  
It's time to die  
Uh! This is how we play destroy, destroy This is how we play  
This is how we play destroy (Play destroy)  
Gonna cut your face  
And make your favorite toy  
Drop a match in the gas tank  
Blow up your neighbor's pool  
Oh, boy  
Oh, oh, oh boy  
I love to play destroy  
Play destroy Burn down the local Wal-Mart  
Monsanto, Raytheon Oh, boy

I love to play destroy  
I love to play destroy
