

# Till You Love Me

[Reba McEntire](#)

I sent you roses, I warned you I would  
Do all that I could to show you the way that I feel  
Please, don't say, I'm wasting my time  
I've got nothin' but time so I'll do all that I can to catch  
That ghost of a chance The sunlight, the moonlight are beyond my control  
And there are stars in the Heavens that I'll never hold  
But if dreams give you power then I'm strong enough to offer my heart  
And never give up till you love me, till you love me  
I looked in your eyes, so bright and so blue  
And that's when I knew, that you could be mine  
If good things come to those who will wait  
Well, I guess I can wait if that's what I have to do  
Oh, it's worth it for you The sunlight, the moonlight are beyond my control  
And there are stars in the Heavens that I'll never hold  
But if dreams give you power, oh then I'm strong enough to offer my heart  
And never give up till you love me, till you love me  
Oh the sunlight and the moonlight are beyond my control  
And there are stars in the Heavens, oh that I'll never hold  
But if dreams give you power, oh then I'm strong enough to offer my heart  
Oh and never give up till you love me, till you love me, till you love me
