

Don't Think Twice

[Dolly Parton](#)

Ain't no use to sit and wonder why, babe
It don't matter anyhow
Ain't no use to sit and wonder why, babe
If you don't know by now When your roof's too close at the break of dawn
Look out your window and I'll be gone
You are the reason I'm traveling home
Don't think twice, it's alright Ain't no use in turning on your light, babe
That night, I never know
Ain't no use in turning on your light, babe
I'm on the dark side of the road
Still I wish there was something you would do or say
To try and make me change my mind and stay
We never did too much talking anyway
Don't think twice, it's alright But there ain't no use in calling out my name, babe
Like you never did before
And there ain't no use in calling out my name
Cause I can't hear you anymore Well, I'm thinking and wondering while I'm way down on the
road
I once loved a man but that love grew old
I gave him my heart, but he wanted my soul
Don't think twice, it's alright Walking down that lone lonesome road, babe
Where I'm bound I can't tell
But goodbye is too good away, babe
So I'm gonna say farewell
But I ain't saying you treated me unkind
You could have loved me better, but no, I don't mind
But you just kinda wasted my precious time
Don't think twice, it's alright
