

# Heart of Gold

## Birdy

I can be strong when I want to be,  
You think I'm weak  
'Cause you can tear me apart  
With the words that you speak  
You think you're in control  
But you don't understand  
How much you're wrong You choose to lash out at me,  
I've done nothing wrong  
All you crave is attention and just to be loved  
You need to be loved And I want to be free  
When my heart is made from gold  
And forgiveness seems too bold  
I still find it in my heart  
To say "I love you"  
When my heart is made from gold  
And the hurt is just too bold  
I still find it in my heart  
To say "I love you" Is there not enough to use your love for me  
To get past the things That cause you envy and hate?  
And the fights that they bring  
You say you're looked on as small  
Can't understand why you don't have it all  
But you don't know how I fight for you  
And believe in your aims  
I just wanna do right by you,  
Forget what has changed  
'Cause nothing has changed  
And I want to be free  
When my heart is made from gold  
And forgiveness seems too bold  
I still find it in my heart  
To say "I love you"  
When my heart is made from gold  
And the hurt is just too bold I still find it in my heart  
To say "I love you" But you don't have to be so mean  
You're such a drama queen  
The way you play on every weakness  
That you see in me, to make you strong  
You were all along  
So don't pretend like you can hardly breathe  
Like it's down to me  
'Cause it's so unfair that you can't succeed

Boy, you're so wrong  
We're still so young And I want to be free  
When my heart is made from gold  
And forgiveness seems too bold  
I still find it in my heart  
To say "I love you"  
When my heart is made from gold  
And the hurt is just too bold  
I still find it in my heart  
To say "I love you"
