[Verse 1]

A sound of something breaking  
I awake from sleep  
A sound full of unfamiliarity  
Try to cover my ears but can't go to sleep[Pre-Chorus]  
The pain in my throat gets worse  
Try to cover it  
I don't have a voice  
Today I hear that sound again[Chorus]  
It's ringing again, that sound  
A crack again on this frozen lake  
I dumped myself into the lake  
I buried my voice for you  
Over the winter lake I was thrown[Verse 2]  
A thick ice has formed  
In the dream I shortly went into  
My agonizing phantom pain is still the same  
Have I lost myself[Pre-Chorus]  
Or have I gained you  
I suddenly run to the lake  
There's my face in it  
Please don't say anything[Chorus]  
Reach my hand out to cover the mouth  
But in the end, spring will come someday  
The ice will melt and flow away  
Tell me if my voice isn't real[Chorus]  
If I shouldn't have thrown myself away  
Tell me if even this pain isn't real  
What I was supposed to do back then
