KeKe Wyatt

Avant: On and On

Keke: Ahh ah oo ah ah aha ah

Avant: Oh ooooooo

Keke: Yeah YeahKeke: I can picture us in the living room by the mantle piece

and your telling me your loving meee

with ya hands on my thighs

while I'm staring in your brown eyes

and thee expression on your face

is tellin me you want more than a taste

so tonight were going all the way

well be loving till the break of day

Keke: There's nothing in this world I wouldn't do for you boy

I don't care what the others say

Now that I got you babe

Avant: No one can bring me joy like you girl

all the little things you do

It's all about you booIt's all about you

I can picture us runnin in the rain

after a movie then we spark a flame

oh i love it when you scream my name

going 60 in a third lane

we pull over to the parking lot

in the park that's my favorite spot

doing just about anything

we'll be going till the birds sing

Keke: There's nothing in this world I wouldn't do for you boy

I don't care what the others say

Now that I got you babe

Avant: No one can bring me joy like you girl

all the little things you do

It's all about you booAvant: I think it's bout time that I make you mine

Keke: So what you saying to me boy come on break it down

Avant: To find another like you would be a life time

Keke: I think I see where you going baby let it out(let it out)

Avant: Listen to me baby got something to say

Keke: is it really what i think don't take all day

Avant: Forever is what I wanna give to you so what do you say

Keke: Baby I doKeke: There's nothing in this world I wouldn't do for you boy

I don't care what the others say

Now that I got you babe

all the little things you do
