

# Supa Sexy (feat. T-Pain & Jamie Foxx)

## Charlie Wilson

Greatness  
Plus greatness  
Equals great greatness Girl I believe you can fly, yeah  
'Cuz you got those Angel wings  
You know just what I mean  
And plus the voice you sing can save a life My baby's on the scene  
Somethin's hurtin' me  
She's my everything that I can't deny Gotta love her more everyday  
I got problems  
She makes 'em go away  
And if her love ain't enough  
My girl can rescue me  
Shoot right down and pick me up  
She supa sexy, yeah  
You look good to me  
You know, model  
Coke bottle, yeah  
Come and rescue me Supa sexy, ooh  
You look good to me  
You know, model  
Coke bottle, yeah  
Come and rescue me Supa sexy, supa woman  
You make me say, ohh  
Come and rescue me Supa sexy, supa woman  
You make me say, ooh  
Come and rescue me, supa sexy  
Ah wait a minute Uncle Charlie  
You know I can't let you out game me  
Here come another girl  
I'ma tell her what she wanna hear Excuse me baby, come here shawty  
Gimmie a second, lemmie borrow  
Your ear  
Cuz you look good to me now You remind me of my  
Lamborghini, if you act right  
I'ma let you burn rubber on me, shawty Let me take ya cape and put it on the floor  
You can kick up your feet you ain't gotta rescue me no more  
Can I get ya somethin', lemme buy you a drank As you can see, she on the next base, honkin'  
I'ma take her home with me She supa sexy, yeah  
You look good to me  
You know, model

Cuz you look good to me
