

# I'm for Love

## Hank Williams Jr.

Mothers against drunk drivers  
The Pope is against the pill  
The union's against the workers  
Working against their will  
The President's against the Congress  
The Senate is against the House  
People are against politicians  
And I'm against cats in the house But I'm for love and I'm for happiness  
And I'm for "if you don't like it can't you just let it rest."  
And I'm for turning off the music; turning down the lights  
'Cause I'm for nothing else but you and me tonight  
The cities against the counties  
The counties against the state  
The state is against the government  
And the highways still ain't paved  
The banker's against the farmer  
The farmer's against the wall  
Doctors against me smoking  
And the devil is against us all But I'm for love and I'm for happiness  
And I'm for "if you don't like it can't you just let it rest."  
And I'm for turning off the tube; turning down the lights  
'Cause I'm for nothing else but you and me tonight  
The cops are against the robbers  
The laws are against the cops  
Justice is against the system  
And some people are blowing their tops  
The horse is against the automobile  
The bus is against the train  
The train is against the jumbo jet  
And I'm against fishing in the rain But I'm for love I'm all for happiness  
And I'm for "if you don't like it can't you just let it rest."  
And I'm for turning off the tube; turning down the lights  
'Cause I'm for nothing else but you and me tonight Hey, I'm for love I'm all for happiness  
And I'm for not looking for something to make us mad  
I'm all for turning off the music; turning down the lights  
And I'm for nothing else but you and me tonight
