

Strange Ways

Kiss

Well, it's a strange way
The way you look at me
And it's a hard time
Time you been givin' me Come on and open up
Open up to me
So you can realize
That I could set you free Strange ways
Twisted days
Strange ways
Twisted days
Well, it's a strange place
That you've been livin' in
And it's a strange line
You've been deliverin' I think I like it
But I'm not really sure
Don't wanna to fight it
Just wanna feel some more Strange ways
Twisted days
Strange ways
Twisted days
Strange ways
Twisted days
Strange ways
Twisted days
