

Trippin' On XTC

Green Jelly

Hello, little children, come stand over here,
I'm gonna shake it with the hot groove a-right in my ear,
Yeah, you're boppin' down Melrose in Daddy's new car,
I'm gonna hit you in the nose, and hit you real hard,
So I jumped on the bandwagon, big butt toe wagon,
Racka-sacka rose but jammin' in your butt,
Wait for Ted bass, fuckin' up your face,
And the rock out, threw the pub out, gonna wip my multiple sack out,
We are trippin' on XTC, hedgin' in our defect sexuality,
Don't you wanna bang us? Wanna be like me? We are trippin' on XTC,
Now, livin' in, livin' in, livin' in now (halluconagal genius)
Are you boys on drugs?
Yeah, Jesus Christ, yeah, he is nice, yeah, Jesus Christ, yeah, he is nice,
Huh! Sly, let's do it, let's do it (?)
I'm never coming down.
Now I lay me down to sleep, I pray the Lord my soul to keep,
If I die before I wake, I pray the Lord my soul to take.
