

# Baggage

Mary J. Blige

I know I do some things  
That make you so confused  
One minute, I'm so in love  
And the next, I can't stand you But if you may ask  
It's just the things that you do  
That reminds me of all of the mess  
That I've been through I got this baggage with me  
Don't wanna make you pay  
For what somebody else has done to me  
I don't know what to do With all this baggage in me  
Every time I hurt your feelings  
It's what someones done to me  
I don't mean to hurt you  
Heartache and pain  
I just can't do it again  
So I look for the worst  
And brace myself for the hurt But nobody has ever  
Treated me this way  
Please be patient with me  
'Coz I want you to stay But I got all of this baggage with me  
Don't wanna make you pay  
For what somebody else has done to me  
I don't know what to do With all this baggage in me  
Every time I hurt your feelings  
It's what someone's done to me  
I don't mean to hurt you  
All of this baggage with me  
Don't wanna make you pay  
For what somebody else has done to me  
I don't know what to do With all this baggage in me  
Every time I hurt your feelings  
It's what someone's done to me  
I don't mean to hurt you It's no way to be livin' my life  
But I can't get it out of my mind  
You know I love you, yes, I do  
So don't, don't, we get it confused Don't be confused 'coz, boy  
You know I really do love you  
Want you to stay with me  
I never meant to hurt you, baby  
It won't be easy gettin' rid  
Of all this baggage, all this baggage All of this baggage with me  
Don't wanna make you pay

For what somebody else has done to me  
I don't know what to do With all this baggage in me  
Every time I hurt your feelings  
It's what someone's done to me  
I don't mean to hurt you All of this baggage with me  
Don't wanna make you pay  
For what somebody else has done to me  
I don't know what to do With all this baggage in me  
Every time I hurt your feelings  
It's what someone's done to me  
I don't mean to hurt you All of this baggage with me  
Don't wanna make you pay  
For what somebody else has done to me  
I don't know what to do  
With all this baggage in me
