

Off of You

Summer Walker

You won't even listen
I ain't even tripping
Fuck it, keep it popping, sipping I'm tired of fucking? talking
When? our eyes ain't? even locking
Guess I finally got a? feeling That I'm off of you
You, yeah
I'm off of you
Honesty, oh yeah (oh yeah)
I can't believe it
You've been mistreating me
I wouldn't leave it
Ain't you realize? (Oh, right)
Yeah, I ain't got the time no more, I ain't gotta cry no more 'Cause I'm off of you
Yeah, yeah (yeah, yeah)
I said I'm off of you
You, you, you, you, you, you
Oh yeah, yeah
We ain't even speaking
I don't even care
'Cause you took it right there, took it right there, yeah
And I know I try to keep it right, right here
Yeah, yeah, yeah (yeah, yeah, yeah)
If you stay home and stay out the street
Then baby, you could get me to get back around you
Yeah, I ain't got the time no more
I ain't gotta cry no, 'cause I'm off of you
Yeah, I ain't got the time no more
I ain't gotta cry no, 'cause I'm off of you
