

# You Know That I Love You

Donell Jones

Mmm...  
I really gotta know  
If you trust me, do you trust me now, hey  
I really gotta know You know that I love you  
And that ain't gon' change  
And though you're not here with me now  
My love for you stays the same Don't worry about those other girls  
They can't take your place  
You know they only want my, my world  
And you can't be replaced  
(Girl, you know)  
You know that I love you (Ooh, girl)  
Girl, you're everything to me (Ooh, girl)  
Just let me show you (Ooh, baby)  
Just how much you mean to me It's been such a long time  
Since I've been with you  
My friends say I should play around  
They wish they could tell what I found in you You know I'm not that other guy  
Who broke your heart, mmm  
You're still the only one in my, my world  
Even when we're apart (Girl, you know)  
You know that I love you (Baby)  
Girl, you're everything to me (Just let me show you)  
Just let me show you (Ooh... baby)  
Just how much you mean to me (Girl, you know)  
You know that I love you (You know that I love you,  
pretty baby)  
Girl, you're everything to me (Just let me show you)  
Just Let Me show You (show you lady, girl yeah)  
Just how much you mean to me (oh, Girl)  
I only have Eyes for you (oh, baby)  
Believe me what I say is true (you know its true now baby)  
you know my heart belongs to you and only you  
And you can't be replaced, girl you know... You know that I love you (You know that I love you  
baby)  
Girl, you're everything to me (you know that I love you Baby)  
Just let me show you (Just let me show you now)  
Just how much you mean to me (what you mean to me now) You know that I love you (say you  
know that I love you baby)  
Girl, you're everything to me (you're everything to me)  
Just Let Me show You (Baby now, baby now, Yeah)  
Just how much you mean to me (oh girl yeah) You know that I love you (you know that you

mean everything to me)  
Girl, you're everything to me (oh girl)  
Just let me show you (Just how much you mean to me)  
Just how much you mean to me (oh girl) You know that I love you (Say you know)  
(you know that you mean everything to me)  
Girl, you're everything to me (won't you let me show you)  
Just Let Me show You (Just how much you mean to me)  
Just how much you mean to me
