Im in the midst of it all.when your life is hurting.
Im in the midst of it all when you feel so undeserving.
Dont be afraid dont be ashamed
Im right here call on My nameIm in the midst of it all please dont worry Im in the midst of it all
all
Please dont worry.Im in the midst of it all when troubles all around you
Im in the midst of it all when you feel you will not make it through
Dont be afraid (dont be afraid)Just know that I will (Just know know that I will)
Come to your aid.Saying please be still.Im in the midst of it all please dont worry Im in the

that I am Here

Is more than enough to set our minds at ease
And when our hearts are overwhelmed We look to the Cross
And there we are reminded That You are here.You are here.
