

# Opium

## M.O.P. & Snowgoons

Ok, new rules to the game homie, let s say  
You loosin the game homie, bk  
Ain t no confusing the name homie, we place  
Then cruise to the land homie, ask them  
You ain t gotta ask about me, you ain t the first  
And won t be the last to doubt me but, know it  
Only live niggers roll with them  
the man opium

I know this hip hop, I m just supposed to rob  
Collect dough, get shows, go and fuck with hoes  
I m from a different block, I got my own goals  
I see a different view, I play my own role  
I wear a different shoe, buy you don t own yours  
Got another nigger deciding what you riding for  
I cut the mortgage check, you fascinated with mtv cribs  
Wondering what he did

I just serve that award my condition is hard  
I won t mention at all, out condition for war  
It ain t only because, the money man unequally distribute love  
I ll give you, I ll leave it in the booth  
best pill opium

Ok, new rules to the game homie, let s say  
You loosin the game homie, bk  
Ain t no confusing the name homie, we place  
Then cruise to the land homie, ask them  
You ain t gotta ask about me, you ain t the first  
And won t be the last to doubt me but, know it  
Only live niggers roll with them  
the man opium

I don t give a fuck, I got the money and the power  
See you ain t like me money, you a coward  
I did it for the love, you did it for a dollar  
I spit it for the thugs, niggers opium  
When they see me they be like go man  
Man that s a good look, I got the hood hooked  
comparison to Jay B on a good book  
the people quote me like songs from the good book  
this is real hardcore, and it s raw, push your money to the door  
That s what I m about y all. creating  
You can t show nice then bump me on the beat  
I keep them under the influence opium.
