

The Last Unicorn

Passenger

Well we'll kiss for that's how it begins
We'll embrace just to warm our skins.
I'll think of her and you'll think of him. And we'll talk to keep the silence from our ears
And we'll laugh because we're so close to tears
We're just lonely, you know, that's why we're here. Cos you don't taste like you should
And you don't fit in my arms like she would.
Lying in the dark, it's understood:
We are both lost.
And we won't be found.
We will wake up with each other in our paws
You cover over white bits like I've not seen them before.
We'll say goodbye and then we'll say no more. Cause hearts won't buy love and nor will they sell
And there is no love in this hotel.
Though we're walking home we know too well
We are both lost
We are both lost
And we won't be found.
She was my compass
He was your map
We've come too far to be turning back.
And we'll sit on our single beds
Nothing on our hearts and tears on our threads
For we know the last unicorn is dead.
