## Addiction (feat. Zakk Wylde)

## **Dope**

Round and round
You're turning me inside out
You're burning me down, down, down
You're spilling me to the ground
You're killing meThis ain't no one night stand
I wanna do it againShe's like cocaine, heroin, alcohol, Vicodin
She's my addiction, my, my addiction
She's cocaine, heroin, alcohol, Vicodin
She's my addiction, my, my addiction
Upside down
You're taking me underground

Your breaking me down, down, down

You're tearing me inside out

You bury meThis ain't no one night stand I gotta do it again and againShe's like cocaine, heroin, alcohol, Vicodin

She's my addiction, my, my addiction She's cocaine, heroin, alcohol, Vicodin She's my addiction, my, my addiction

You're my addictionRound, round, roundShe's like cocaine, heroin, alcohol and Vicodin She's my addiction

She's like cocaine, heroin, alcohol and Vicodin
She's my addiction, you're my addiction
Round and round you're turning me
She's my addiction, my, my addiction
Inside out you're burning me
She's my addiction, my, my addiction
You're my addiction
