

# No Budget (feat. Rich The Kid)

## Kid Ink

(Bongo on the way)  
(All the, the way-ay up)  
Kid Ink  
(Murda on the beat, so it's not nice) We don't wanna mess up  
Do full budget  
Hit that whoa, whoa, whoa  
V12 bussin'  
AP bust it (What?)  
Ain't no budget  
Money talk, money talk  
End of discussion  
We don't wanna mess up  
Do full budget  
Hit that whoa, whoa, whoa  
V12 bussin'  
AP bust it  
Ain't no budget  
Money talk, money talk  
End of discussion Up all night, I'm at bat, shorty fight, she a brat  
Wit' her fist threw a fit, and she back, roll it back  
I don't trip, let 'em cap, 0 to 6, bust a lap  
Foreign engine like a gat, it go blat, blat, blat  
I don't ever make a move, that ain't cool for the brand  
YSL shoes got me fly as Peter Pan  
I just hit her with the D every time she need a xan  
I just hit her with the B when she talkin' 'bout a plan (What she talkin' 'bout?)  
Live like you have Fiji drip on the faucet  
We don't kiss, we on top, that's your man, that's a thot  
Shit go down like at the top, put a new crown on the watch  
Henney round on the rocks (Load it up and let it back) We don't wanna mess up  
Do full budget  
Hit that whoa, whoa, whoa  
V12 bussin' (Whoo!)  
AP bust it (What)  
Ain't no budget  
Money talk, money talk  
End of discussion We don't wanna mess up  
Do full budget  
Hit that whoa, whoa, whoa  
V12 bussin' (Ooh!)  
AP bust it  
Ain't no budget

Money talk, money talk  
End of discussion (What)AP going on mercy, end of discussion  
Keep your ISG and fuck it, count it back and that's a hundred (Ooh)  
That is no rap count, I bring the trap back  
Me and the plug, big racks, I'm flexin' like up like I see her  
Eat her, I can't keep her, fuck her then I leave her  
Did you white like Justin Bieber, ooh, I can't even leave her  
'Cause she brought her best friends, I turn 'em to lesbians  
Ooh, fuck her at the Westin, you freak, I'mma bust inLive like you have Fiji drip on the faucet  
We don't kiss, we on top, that's your man, that's a thot  
Shit go down like at the top, put a new crown on the watch  
Henney round on the rocks (Load it up and let it back)We don't wanna mess up  
Do full budget  
Hit that whoa, whoa, whoa  
V12 bussin'  
AP bust it  
Ain't no budget  
Money talk, money talk  
End of discussionWe don't wanna mess up  
Do full budget  
Hit that whoa, whoa, whoa  
V12 bussin'
