

# Tangerine

## Led Zeppelin

Measuring a summer's day  
I only find it slips away to gray  
And the hours they bring me pain  
Tangerine, tangerine  
Living reflection from a dream  
I was her love, she was my queen  
And now, a thousand years between  
Thinking how it used to be  
Does she still remember times like these  
To think of us again  
And I do  
Tangerine, tangerine  
Living reflection from a dream  
I was her love, she was my queen  
And now, a thousand years between
