

# I Loved Her First (feat. Tracy Lawrence)

## Heartland

Look at the two of you dancing that way  
Lost in the moment and each other's face  
So much in love, you're alone in this place  
Like there's nobody else in the world  
I was enough for her not long ago  
I was her number one, she told me so  
And she still means the world to me, just so you know  
So be careful when you hold my girl  
Time changes everything, life must go on  
And I'm not gonna stand in your way  
But I loved her first, I held her first  
And a place in my heart will always be hers  
From the first breath she breathed  
When she first smiled at me  
I knew the love of a father runs deep  
And I prayed that she'd find you someday  
But it's still hard to give her away  
I loved her first  
How could that beautiful woman with you  
Be the same freckle face kid that I knew  
The one that I read all those fairytales to  
And tucked into bed all those nights  
And I knew the first time I saw you with her  
It was only a matter of time  
I loved her first, I held her first  
And a place in my heart will always be hers  
From the first breath she breathed  
When she first smiled at me  
I knew the love of a father runs deep  
And I prayed that she'd find you someday  
But it's still hard to give her away  
I loved her first  
From the first breath she breathed  
When she first smiled at me  
I knew the love of a father runs deep  
Someday you might know what I'm going through  
When a miracle smiles up at you  
I loved her first
