

Method to This Madness

Voodoo Glow Skulls

People are always thinking too much,
they make the rules.
Ignorance ain't pretty in this cold, hard world.
What if you don't have an answer to every question.
Well, we're not spreading knowledge like a social infection. We're not the ones
that want to change you or make you think.
We're not the ones
to pressure you to change your ways. (x2)
Go to school six hours a day,
Got a job that doesn't pay.
Go out friday night,
you don't expect a lecture tonight.
We got a radio vibe for fun,
if you listen you'll be the one.
Go home be skankin' tonight,
Hoping it will make things right. There's got to be a method,
a method to this madness! (x4) We're not the ones
that want to change you or make you think.
We're not the ones
to pressure you to change your ways. (x2) Bring it down now...
Go to school six hours a day,
Got a job that doesn't pay.
You go out on this friday night,
you don't expect a lecture tonight.
We got a radio vibe for fun,
if you listen you'll be the one.
Go home be skankin' tonight,
Hoping it will make things right. There's got to be a method,
a method to this madness! (x4)
