

Enough (feat. Gizzle)

Delta Goodrem

They used to tell me I wasn't smart enough
Said i'll never make, I don't resemble the stars enough
Man, I'm just tryna get my heart to pump
Gave me all every time, guess my all wasn't enough
They said I talk too much, they talk enough
Told me I should change, but never said what I should change it to
Man, I'm just tryna play the game witchu
so when you gon' see I'm just me, I ain't the same as you I just wanna give my all, the rise and
fall the works
I just wanna leave my mark upon your heart
The world
What do I gotta say? how do I gotta pray?
What do I gotta do? tell me
Who do I gotta be? whaddya want from me?
What do I gotta prove?
No matter what I do
I'm not breaking for you, tell me
What do I gotta give, how do I gotta live
When it's not enough for you?
It's not enough for you Well, my first mistake was tryna please everybody
Only to realise I ain't need anybody (nobody)
But all I ever wanted was acceptance
Till I accepted myself, now I can check that off my checklist
I am no longer checking for your guest list
Or where I land on your best list
I look at my reflection and it tells me who the best is
So I could never do it like the rest did
I just wanna give my all, the rise and fall the works
I just wanna leave my mark upon your heart
The world What do I gotta say? how do I gotta pray?
What do I gotta do? tell me
Who do I gotta be? whaddya want from me?
What do I gotta prove?
No matter what I do
I'm not breaking for you, tell me
What do I gotta give, how do I gotta live
When it's not enough for you?
When it's not enough for you? Let's go I know they wanna see me break
I know they'd rather see me fall
And that's the very reason why
I'ma rise above it all
They used to say I wasn't strong

Wasn't going very far
Well, now I'm shining like a star
And I'm screaning all my calls cause you call be back tomorrow
What do I gotta say? how do I
gotta pray?
What do I gotta do? tell me
who do I gotta be? whaddya want from me?
what do I gotta prove?
No matter what I do
I'm not breaking for you, tell me
What do i gotta give, how do I gotta live
(Delta, Gizzle)
When it's not enough for you? What do I gotta say? how do I gotta pray?
What do I gotta do? tell me
Who do I gotta be? whaddya want from me?
What do I gotta prove?
No matter what I do
I'm not breaking for you, tell me
What do I gotta give, how do I gotta live
When it's not enough for you?
(It's enought for me though)
It's not enough for you
(but it's enought for me though)
It's not enough for you
It's not enough for you
When it's not enough for you?
