

A Favor House Atlantic

Coheed and Cambria

Your eyes tell the stories of a day you wish you could
Recall the moments that once have
Retract the footsteps that brought us to this favor
I wouldn't ask this of you Good eye, sniper
Here I'll shoot, and you run
The words you scribbled on the walls
With the loss of friends you didn't have
I call you when the time is right
Are you in or are you out?
For them all to know the end of us all, all Run quick, they're behind us
Didn't think we'd ever make it
This close to safety in one piece
Now you wanna kill me in the act of what could maybe
Save us from sleep and what we are
Good eye, sniper
Now I'll shoot, and you run
The words you scribbled on the walls
With the loss of friends you didn't have
I called you and the time is right
Are you in or are you out?
For them all to know the end of us all Bye bye beautiful
Don't bother to write
Disturbed by your words and they're calling all cars
Face step, let down.
Face step, step down. The words you scribbled on the walls
With the loss of friends you didn't have
I called you and the time is right
Are you in or are you out?
For them all to know
Bye bye beautiful
Don't bother to write
Disturbed by your words and they're calling all cars
Face step, let down.
Face step, step down. Bye bye beautiful
Don't bother to write
Disturbed by your words and they're calling all cars
Face step, let down.
Face step, step down.
