

Kya Kare Kya Na Kare (From "Rangeela")

Udit Narayan

Kya kare kya na kare yeh keyse mushkil hai
Koi to bataa de iska haal o mere bhai
Ke ek taraf to us se pyaar kare hum
Aur usko inhe kehney se daray hum. Kya kare kya na kare yeh keyse mushkil hai
Koi to bataa de iska haal o mere bhai
Ke ek taraf to us se pyaar kare hum
Aur usko inhe kehney se daray hum. Roz roz hum, sochta yahin,
Aaj humko woh agar mil jaye kahin,
To aisa bolega (saala) waisa bolega,
Khullam khulla us pe dil ka raaz hum kholega,
Woh saamne chamakti hai, saans hi atakti hai,
Aur yeh zabaan jaati hai fisal.
Tho ya kare kya na kare yeh keyse mushkil hai
Koi to bataa de iska haal o mere bhai
Ke ek taraf to us se pyaar kare hum
Aur usko inhe kehney se daray hum. Kya kare kya na kare yeh keyse mushkil haaaaai
Koi to bataa de iska haal o mere bhaaaaai (Hey-a-a-a)
(Hey-a-a-a) Koi badi baat nahin,
Humain kehna tha jo bhi,
Woh to hum yoohein kehte magar,
Phir bhi kaha nahin,
wajah iski hai yahi,
Bas inkaar se hum ko tha dar.
Ab kahe ya na kahe,
kahan kahe kab kahe,
Soch soch main hi woh gayi nikhal.
Haan, Kya kare kya na kare yeh keyse mushkil hai
Koi to bataa de iska haal o mere bhaai
Ay bhai.
Mere bhai.
O mere bhai
Hey-a-a-a
Ay bhai
Mere bhai
O mere bhaaaai
Hey-a-a
