

# Brown Eyes

## Destiny's Child

Remember the first day when I saw your face?  
Remember the first day when you smiled at me?  
You stepped to me and then you said to me  
I was the woman you dreamed about Remember the first day when you called my house?  
Remember the first day when you took me out?  
We had butterflies although we tried to hide  
And we both had a beautiful night The way we held each others hand  
The way we talked, the way we laughed  
It felt so good to find true love  
I knew right then and there you were the one I know that he loves me 'cause he told me so  
I know that he loves me 'cause his feelings show  
When he stares at me you see he cares for me  
You see how he is so deep in love  
I know that he loves me 'cause its obvious  
I know that he loves me 'cause its me he trust  
And he's missing me if he's not kissing me  
And when he looks at me his brown eyes tell it so Remember the first day, the first day we  
kissed?  
Remember the first day we had an argument?  
We apologized and then we compromised  
And we've haven't argued since Remember the first day we stopped playing games?  
Remember the first day you fell in love with me?  
It felt so good for you to say those words  
'Cause I felt the same way too The way we held each other's hands  
The way we talked, the way we laughed  
It felt so good to fall in love  
And I knew right there and then that you were the one  
I know that he loves me 'cause he told me so  
I know that he loves me 'cause his feelings show  
When he stares at me you see he cares for me  
You see how he is so deep in love I know that he loves me 'cause it's obvious  
I know that he loves me 'cause it's me he trust  
And he's missing me if he's not kissing me  
And when he looks at me his brown eyes tell it so I'm so happy, so happy that your in my life  
And baby now that your apart of me  
You've showed me  
Showed me the true meaning of love  
(The true meaning of love)  
And I know he loves me  
I know that he loves me 'cause he told me so  
I know that he loves me 'cause his feelings show  
When he stares at me you see he cares for me

You see how he is so deep in love  
I know that he loves me 'cause it's obvious  
I know that he loves me 'cause it's me he trust  
And he's missing me if he's not kissing me  
And when he looks at me his brown eyes tell it so  
He looks at me and his brown eyes tell it so
