

# Head Up (feat. James Newman)

## Don Diablo

Am so wrong  
For staying up late  
Going out with my friends  
For drinking too much  
And saying I won't, but I'll do it again  
But you take my hand  
I realize I can be who I am  
'Cause I'll be alright  
As long as I'm leaving with you I came with the hard times  
But you brought the good times  
You make my life brighter, brighter  
I found my way  
You're only gonna love me  
You're never gonna judge me  
Now I'm coming higher, higher every day  
I'm keeping my head up  
I'm keeping my head up, head up (oh-oh)  
I'm keeping my head up, head up (oh-oh)  
Yeah, I owe it to you  
For making me so good  
For keeping my head up  
You're keeping my head up How many times  
How many times have I said I was good  
That every night  
You light me up like my last cigarette  
With you by my side  
I don't really care what the neighbors might think  
'Cause I'll be alright  
As long as I'm leaving with you  
I came with the hard times  
But you brought the good times  
You make my life brighter, brighter  
I found my way  
You're only gonna love me  
You're never gonna judge me  
Now I'm coming higher, higher every day I'm keeping my head up  
I'm keeping my head up, head up (oh-oh)  
I'm keeping my head up, head up (oh-oh)  
Yeah, I owe it to you  
For making me so good  
For keeping my head up  
You're keeping my head up I'm keeping my head up, head up (oh-oh)

I'm keeping my head up, head up (oh-oh)  
Yeah, I owe it to you  
For making me so good  
For keeping my head up  
You're keeping my head up
