

Bedroom (feat. Dunlap)

Alex Simmons

[Verse 1]

Girl come closer,
Throw that booty back wanna watch while you bend over,
Why you playing girl bring it here you know I want ya,
I know you want this, Girl hop up on it,
Let's take it back to the crib mama hol up, hol up,
I don't give a fuck about ya friends,
Tell em you'll be right back in the morning,
Cause tonight girl we gon get it in,
I'll make you grab them sheets while I'm stroking,
Now you moaning, I know you like it, My shit is priceless,
Girl spread them legs and I'ma go down on ya,
Girl won't you lay on,
Yo back let me hit it, if you wit it, we can get it,
Shol nuff, Shol nuff, Shol nuff, Shol nuff,
I'ma work ya back, How you liking that, We can do it all night,

[Chrous]

Baby I ain't tryna play around, I'ma just show you what my head do,
If you plan on making all them sounds, Let me just take you to my bedroom,

Come to my bedroom, bedroom, bedroom,

I know you want to, want to, want to,[Verse 2]

Look, lil mama we can do it, All night open up ya legs let me ruin,
Ya panties getting wetter by the second now I'm sweating,
And you scratching up my back while I'm stroking to the music,
Hol up, I just wanna chill, I never been the nigga to try to pay all ya bills,
If you looking for a dude that'll bust it wide, Lay you down,
Have you screaming daddy, then I'm that nigga forreal,
Mama what you tryna do, I can show you what it is,
All you gotta say is go, I'ma hit you with the dick,
What you know about ya boy, Baby I be with the shits,
Put my lips up on ya pussy, I just wanna tongue kiss, What'cha name is,
Swear to God, Fuck with me, I'll make you famous,
Make that pussy drip drop like it's raining,
Got you falling in love cause I be slaying, Baby I ain't playin,
I put in work like Ri Ri, Girl I ain't going easy,
I'll have you tryna trap me like my ex, her name was Phe Phe,
Let me show you what a real nigga do,
Baby when I'm finished I'ma pass it to the crew,
Let a real nigga work, Baby I'ma make you squirt,
Have you drippin like a fountain, Now I'm drowning in your pool,

[Chrous]

Baby I ain't tryna play around, I'ma just show you what my head do,

If you plan on making all them sounds, Let me just take you to my bedroom,
Come to my bedroom, bedroom, bedroom,
I know you want to, want to, want to,[Verse 3]
Tonight it's no games, No I ain't come to play,
I told her I'm not Drake, I'm not with the child's play,
You should come upstairs so me and you can make a movie,
Get you wet like a Jacuzzi, My amigo it's time to get Bad and Boujee,
Have you hitting high notes, Like Mariah Carey,
My room's a jungle, It gets wild in there like the Thornberrys,
You ain't gotta be shy, Don't be afraid to ask me,
Shawty this ain't school, You ain't always gotta keep it classy,
Already know what you thinking, I already know what you tryna do,
Baby we grown, so we gon do what grown folks do,
Now it's time to act it, Khaled and A.I, Put these Wild Thoughts into practice,
The shit we do should be illegal, Made part 1 tonight we gon make the sequel,[Chrous]
Baby I ain't tryna play around, I'ma just show you what my head do,
If you plan on making all them sounds, Let me just take you to my bedroom,
Come to my bedroom, bedroom, bedroom,
I know you want to, want to, want to.
