

# Everything to Me

## Monica

Boy if you ever left my,  
My side,  
It'd be like taking the sun from  
The sky  
I'd probably die without  
You in  
My life  
Cause I need you to  
Shine, shine  
Your light You're everything to me, heey  
The air that I breathe, oh  
I sigh so I see, oh Lord  
You're everything to me  
I can't repay you for all that you've done  
Always come first and second to none  
All that you've given me is equal to ten  
My peace, my joy  
You are my  
My strength You're everything to me, whoa  
The air that I breathe  
I sigh so I see, ohhh that  
You're everything to me (Boy I never thought) Never thought I'd feel a love like this  
Better than our first date  
Sweeter than our first kiss (and you)  
Ain't no other person for me  
You're my best friend  
My lover  
(Baby you're) My everything  
You're everything to me, whoa  
The air that I breathe  
I sigh so I see, ohhh  
You're everything to me I need you, I need you, I need you...
