

Dirty

Korn

Keep knocking
No one's there
Pouring down
Near people I'm out here
By myself, all alone
Ready to blow my head off
I hurt so bad inside I wish you could see the world
Through my eyes
Each day is the same
I just wanna laugh again
Keep hoping
Nothing to spare
So my life
Isn't quite there
Feel like a whore
A dirty whore
Such a whore
Dirty
I'm out here By myself, all alone
Ready to blow my head off
I hurt so bad inside
I wish you could see the world Through my eyes
Each day is the same
I just wanna laugh again
Just wanna laugh again
I'll take it
I'll take it
I will take it, give it to me
You dirty little fuck
Dirty little fuck
You dirty little fuck Dirty little fuck
You dirty little fuck
(I will take it)
Dirty little fuck
(I will take it)
You dirty little fuck
(I will take it)
Dirty little fuck
(I will take it) You dirty little fuck
I hurt so bad inside
I wish you could see the world
Through my eyes

Each day is the same
I just wanna laugh again
I just wanna laugh again
I just wanna laugh again
I just wanna laugh again
I just wanna laugh again
