

# Forgotten Man

## Tom Petty & The Heartbreakers

I feel like I'm a forgotten man  
I understand I'm the dawn  
What it hangs upon the water  
When the dogs don't bark Well, I feel like I'm a forgotten man  
I feel like I'm a forgotten man Well, I feel like I'm a 4 letter word  
I know I feel confused  
Angry words can piss someone off  
Our soul can sense someone Well, I feel like I'm a forgotten man  
Yes I feel like I'm a forgotten man Well I feel like I'm forever down  
Sends a lover's lover  
No rest, no range, no wicked thoughts  
Just pain that lingers off  
Well, I feel like I'm a forgotten man  
I feel like I'm a forgotten man  
Yes I feel like I'm a forgotten man
