

Human Being

New York Dolls

Well if you don't like it
Go ahead, find yourself a saint
go ahead now,
Try to find a boy
who's gonna be what I ain't
now what you need is
A plastic doll with a fresh coat of paint
Who's gonna sit through the madness
And always acts so quaint
Said yeah yeah yeah With your new friend
You're really making a scene
And I see you bouncing around
From machine to machine
And you know
They're never real, they're
Never what they seem
And you can try to generate some warmth
And you see just what I mean
I said yeah yeah yeah
And If I'm acting like a king
Well that's cause I'm a human being
and if I want too many things
don't you know that
I'm a human being
and if I've got to dream
baby baby baby yeah
I'm a human being
and when it gets a bit obscene
(woah) I'm a human being And I've just got to go around
With my head hung down
Just like a human, babe,
An unknown human being
And I can hold my head so high
Cause I'm a human, a riff raff human being
why won't you give me a little sip
why don't you try me on a drag of that cigarette
why don't you try to give me something
that I will never ever forget
but now don't you blow it all
on a million dollar bet
because you're liable to lose it
on the best lovin' you've had yet

I'm beggin yeah yeah oh yeah And If I'm acting like a king
Well that's cause I'm a human being
I want too many things
Don't you know that
I'm a human being
And if I've got to dream
I said well, I'm a human being
And when it gets a bit obscene
(wooah) I'm a human being And I've got to go around
With my head hung down
Just like a human, babe
An unknown human being
and I can hold my head so high
Cause I'm a human, a riff raff human being In fact I'm talking about the human race
You're trying to cover up the big disgrace
I said yeah yeah yeah,
Oh C'mon C'mon C'mon Yeah, yeah, oh yeah
Well I may think that this whole scene is just a
Too appalling for me
Or I may be the type who's just a mad about
Every little thing that I see
Well I can color that with mystery
Or make it just what I want it to be
While I'm blowing my change on the fan magazines
With all the Hollywood refugees, screaming
Yeah yeah, oh yeah And If I'm acting like a king
I said well, I'm a human being
And if I want too many things
don't you know that
I'm a human being
And if I've got to dream
Baby baby, I'm a human being
And when it gets a bit obscene
(wooah) I'm a human being
And I've got to go around
With my head hung down
Just like a human being
We're all just human being
And I can hold my head so high
Cause I'm a human, a first class human being I'm a human being
I'm a human being
I'm a human being
I'm a human being
