

# Just a Dream

Kurt Hugo Schneider, Christina Grimmie & Sam Tsui

[Sam:]

I was thinking about you  
Thinking about me  
Thinking about us  
What we gonna be  
Open my eyes

[Sam and Christina:]

It was only just a dream[Christina:]  
Travel back down that road  
Will you come back?  
No one knows

I realize

[Christina and Sam:]

It was only just a dream

[Sam:]

I was at the top  
And now it's like I'm in a basement  
Number one spot  
Now you find you a replacement  
I swear now that I can't take it  
Knowing somebody's got my baby Now you ain't around  
Baby I can't think  
I shoulda put it down  
Shoulda got that ring  
'Cause I can still feel it in the air  
See your pretty face  
Run my fingers through your hair My lover, my life  
My baby, my wife  
You left me, I'm tied  
'Cause I know that it just ain't right

[Sam and Christina:]

I was thinking about you  
Thinking about me  
Thinking about us  
What we gonna be  
Open my eyes

It was only just a dream So I travel back down that road  
Will you come back?

No one knows

I realize, it was only just a dream [Christina:]

Riding I swear

I see your face at every turn

I'm trying to get my usher on  
But I can't let it burn  
And I just hope you know that you're the only one I yearn for  
No wonder I'll be missing when I learn  
Didn't give you all my love  
I guess now I got my payback  
Now I'm in the club  
Thinking all about you baby  
Hey you were so easy to love  
But wait, I guess our love wasn't enough  
I'm going through it every time that I'm alone  
And now I'm wishing that you'd pick up the phone  
But you made a decision that you wanted to move on  
'Cause I was wrong [Sam and Christina:]  
I was thinking about you  
Thinking about me  
Thinking about us  
What we gonna be  
Open my eyes  
It was only just a dream  
So I travel back down that road  
Will you come back?  
No one knows  
I realize, it was only just a dream  
If you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
And now they're gone and you're wishing you could give them everything [Christina:] If you  
ever loved somebody put your hands up  
[Sam:] If you ever loved somebody put your hands up  
[Christina:] If you ever loved somebody put your hands up  
[Sam:] If you ever loved somebody put your hands up  
[Sam and Christina:]  
And now they're gone and you're wishing you could give them everything [Sam and Christina:]  
I was thinking about you  
Thinking about me  
Thinking about us  
What we gonna be  
Open my eyes ([Christina:] Open my eyes)  
It was only just a dream ([Sam:] It's just a dream) So I travel back down that road ([Christina:]  
Travel back, [Sam:] Travel back)  
Will you come back? ([Christina:] Down the road, [Sam:] Down the road)  
No one knows ([Sam:] No one knows)  
I realize, it was only just a dream ([Sam:] No, no, no, no) I was thinking about you ([Christina:]  
Woo)  
Thinking about me  
Thinking about us ([Sam:] Woo)  
What we gonna be ([Sam:] Yeah)  
Open my eyes... ([Christina:] Open my eyes, [Sam:] Open my eyes)  
It was only just a dream ([Christina:] just a dream) So I travel back down that road ([Sam:] Woo)  
Will you come back?  
No one knows  
I realize, ([Sam:] Realize)  
It was only just a dream

[Sam:] baby, it was only just, was only just a dream [Sam and Christina:]  
No, oh  
It was only just a dream
