Close Your Eyes

Meghan Trainor

Everybody is on the same page No new chapters We'll never change Everybody wants to be cool Yes they do I'm just like them But I won't be no fool I guess I could waste all my time and my money Just trying to look right But it doesn't change who I am in my heart if I look like them So I want you to close your eyes Sing to the world tonight And show them what's beautiful I don't care what they think No I'm not listening Cause I know I'm beautiful So close your eyes Show them what's beautiful Gonna' show them... Show them what's beautiful Show them what's beautiful Everybody is born to be different That's the one thing that makes us the same So don't let you them hurt try to change you

make you into something you ain't
No
So I want you to close your eyes

Sing to the world tonight
And show them what's beautiful
I don't care what they think
No I'm not listening
Cause I know I'm beautiful
So close your eyes
Show them what's beautiful
Show the world the you inside
Raise your voice and close your eyes
Cause you're beautiful
Come on and show the world the you inside
Raise your voice and close your eyes
Cause you're beautiful
So I want you to close your eyes
Sing to the world tonight

And show them what's beautiful
I don't care what they think
No I'm not listening
Cause I know I'm beautiful
So close your eyes
