

# Black Moon

## Ghost Town

I'm feelin' all alone lately  
Tangled in these sheets, I'm craving  
For you to come to me  
You're the reason I breathe  
I'm feelin' alone  
I'm feelin' alone  
The silence shakes the room  
In the pale light of you  
I want the night sky forever I want you Black Moon  
I want you Black Moon  
I want you Black Moon  
I want you Black Moon  
You take control of my emotions like the moon rules the tide  
Queen Moon I don't deserve you tonight  
But I'm beggin' you right now (right now)  
I'll do as you wish to get higher love  
I surrender, don't want to be alone  
I'm yours, so do as you please  
Don't want to be alone  
Don't want to be alone  
The silence shakes the room  
In the pale light of you  
I want your night sky forever I want you Black Moon  
I want you Black Moon  
I want you Black Moon  
I want you Black Moon  
You always leave me when the sun comes out  
I'm so low when you're not around  
The broken needle washes out to sea  
But emotions are trapped in a bottle S.O.S. I'm losing it  
Without you in my life, I'm dead  
So bring me back when you seduce the night I want you Black Moon  
I want you Black Moon  
I want you Black Moon  
I want you Black Moon  
I want you Black Moon I want you Black Moon  
I want you Black Moon  
I want you Black Moon  
I want you Black Moon
