

# Gravity

## The Dresden Dolls

Gravity plays favorites, I know it cause I saw  
Honest to god, officer, it's awful (awful)  
Down at work, I'm getting too familiar with the floor  
Trading in my talents by the mouthfulHate to break it to you, but it's out of my control  
Forces go to work while we are sleeping (sleeping)  
If I could attack with a more sensible approach  
Obviously that's what I'd be doing (...Right?!)  
Someone tell her  
Someone get her off!  
Now  
Necks are cracking sideways  
Hit me from the back side  
I am on the white side  
You are on the black side  
Cut a piece that's bite-size  
Shoot me from my good side  
If you got a straight line  
This would be a good timeGravity works slowly if you notice it at all  
Some of us are getting mighty lucky (Aren't we?)  
If you had to live with this, you'd rather lie than fall  
You think I can't fly...?  
Well, you just watch me!  
Watch me!Someone tell her  
Someone get her off!  
You can do it!  
Good girl!  
(A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z)  
(Right foot) Right foot!  
(Left foot) Left foot!  
That's just the way we showed you...  
Look, it's in color!  
Someone's in our seats, Dad!  
Posture  
Oh, oh, oh  
Posture  
Oh, oh  
Look, I think he's going now...  
Oh my God, I'm gonna see if he's moving, OK?  
I think we've lost him!Now  
Necks are cracking sideways  
Hit me from the back side  
I am on the thin side  
You are on the fat side  
Cut a piece that's bite-size

Shoot me from my bad side  
If you want a straight line  
This would be a good time  
The sky is always falling down on me  
The sky is always falling, falling  
The sky is always falling down on me  
So officer, forgive me, please!
